

UNIONVILLE PHOTO FIELD TRIP: WITH MICHAEL COONEY

Located in the center of beautiful Waupaca County in the tiny village of Symco, about an hour's drive west of the Green Bay area, is one of the best photography locations in Wisconsin!

No matter what your photography skills are you can be challenged and rewarded with some unique and wonderful images. We will have exclusive use of the property and access to buildings so regardless of the weather, there will be abundant shooting opportunities.

Unionville is located on the Little Wolf River. See back for map and photographic opportunities.

NEW! Pop-Up Studios

Throughout the morning we will have pop-up studios with our model actors utilizing LED lighting, reflectors, props, and everything you need to capture great environmental portraits and scenes. Locations include the saloon, general store, feed mill, log cabin, and main street.
